Target® is thrilled to present your 2011 Take Charge of Education® donation check. This boost for your school is also a major milestone for our program. To date, Target has donated over \$300 million to help K-12 schools through Take Charge of Education, an enormous investment that's directly helping students year after year.

Here's how it works: When parents, teachers and other school supporters use the REDcard®, Target donates up to 1% of their purchases to the eligible K-12 school they designate.* Each September, those funds are distributed to schools nationwide, including yours. To learn more about the program or get materials to engage parents in your community, visit Target.com/tcoe.

Please cash the enclosed check right away, then use the money for whatever your school needs most. Congratulations and best wishes for another successful school year.

Sincerely,

Gregg Steinhafel
Chairman, President and CEO, Target Corporation
